BUSTIN' THRU '82

BUCKEYE UNION HIGH SCHOOL-

BUCKEYE, ARIZONA

THE HAWK is noted for its audacity and strength. With a shrill cry it will swoop down, clutch its victim in its powerfull talons and tear it to pieces with its short, hooked beak. It always captures its victim in open chase, they do not plunge for their prey, but pursue them in low, raking flight. They are able to dart between trees and through thickets, following their frightened quarry however abruptly it may turn and avoiding obstacles in their path with amazing skill. In open country their flight consists of a few powerful strokes culuminating in long glides. They do not soar and circle but fly swiftly and directly to their goal.

PRESIDENT: LAURIE LOUGHEAD
VICE PRESIDENT: KEVIN DYKSTRA
SECRETARY: NINA GOODWIN
TREASURER: LEANN CAMPBELL
GIRLS REPRESENTATIVE: LORI HUNTER
BOYS REPRESENTATIVE: SHAWN DUNIVANT

This year, the Senior Class had "The Best of Times." We began the year with that theme for our "motto", and we carried it out to the finish!!

President Laurie Loughead had a lot of Student Council experience behind her and she used every minute of it. She led the Senior Class through a great Homecoming Week; no wonder she got "Best Personality!"

Vice President Kevin Dykstra is an outgoing athlete and used this experience in his Senior Class work. He learned a lot and gained even more leadership experience.

Leann Campbell is the Senior Class Treasurer. She was a great leader for the Seniors. She really got in there and got

the job done!

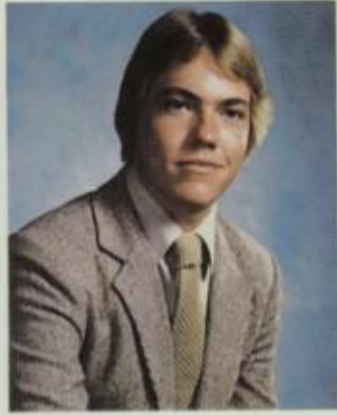

Nina Goodwin (along with Leann) was always where the fun was. Nina was Secretary of the Senior Class, and with her fun and outgoing personality always made her succeed. Lori Hunter was not only "The Most Dependable Girl", but also the Girls Representative for the Senior Class. She always got what the Seniors wanted.

Last but not least was Shawn Dunivant. Shawn had a lot of experience behind him, and he put it to good use as the Boys Representative for the Senior Class.

All of us hope that Laurie, Kevin, Leann, Nina, Lori, and Shawn, do as well in life as they have done for us, The Senior Class!

AJA, TRINA MAE - I am called "Nini" by my family and friends. I want to leave this message to everyone: "To smile your way through cloudy days is much the wisest thing to do; for when you make the best of things, they cannot get the best of you!"

ARNOLD, ROLAND - "Otis" is my nickname, which was given to me by the weirdos in Publications. They call me Otis because of the character on the Andy Griffith Show. Remember the great times when some day you're driving down the freeway and pass the overpass at Watson Road!

ARRINGTON, KENNY - I am sometimes known as one of the best fibbers in school (in fun only). I leave you with this message: "One who doesn't put any effort into life often gets nothing out of it."

BARKDOLL, JODI - Better known as Just Jodi by her friends. I would like to be remembered as the "rowdy one" at times. I leave you with this message: "Keep smiling. It makes people wonder what you've been up to!"

BATIE, TRACEY - Sometimes called "Youngblood Batie" ... I just want to say "Good Luck To The Brazos Brothers!"

BEAVER, ROBERT - I am better known as "Beave" which is short for my last name. I would like everyone to remember me as the one who honks at pedestrians and tries to run them over. I leave you with this message: "Sometimes its rainy, sometimes its sunshine, nevertheless, school is a funtime."

BECKER, CINDY - Everyone calls me Cindy except for my husband who calls me "Babe". I would like

everyone to remember me as the person who had many different changes and experiences during the school year. I leave you with this message: "Don't fool around unless you pay the consequences."

BENBOW, RICHARD - I am better known as "Dick". I would like to be known as the guy with the cats eyes. I leave you under classmen with this message: "If everything in life was easy, it wouldn't be worth doing!"

BEYER, SCOTT - I'm known in some circles as "Delbert," but not by my request. I would like to be remembered as one of the people who "beat the system" in Schneider's Class. I'll leave you with this word of wisdom once told to me by my Great Great Grandfather: "Never shout racial slurs while passing through Harlem, or South Buckeye."

BLACK, MARTY - My friends call me "Radical Brat" because I'm so Rad. I leave you with this message: "If you want to be Rad be Cool to your Dad that way you'll be into the Fad, "like me".

BOST, JEFF - My family calls me Bo Dean after the famous Jethro Bo Dean. I'm remembered as the guitarist with style and I leave you this "All classes think they have class, but anybody can snuggle up to a pillow!"

BOWEN, DAVID - I am better known as "Big Dave." All I want to say is: "Good luck to all my Brazzos Brothers!"

BRADY, LISA MARIE - I am known as "Blondie" to most, mainly because of my naturally blonde hair! I would like to be known as the

girl who won the hearts of all weirdos and creeps in Arizona with my crazy way of flirting. My message to this world and the next is: "Love Ziggy, somebody has to!"

BRAMBLET, PEGGY - If you ever want to meet some very interesting people go to Rainbow Valley. I would like to leave you with this message: "If you ever want to get somewhere in life, keep trying, don't give up."

BRIDGEWATER, RICHARD - I leave you with this message: "As you head down the road of life you may come to a detour, take the detour it may lead to success!"

BULFER, PEGGY - Better known as Peggy - Sue the one with all the three - wheelers and no pick-up to take them in.

CAMPBELL, LEANN - I'm better known as "Andrettie". I would like to be known as the girl who was always on time for class and had such a good memory. I leave you with this message: "Time flies so catch it and hang on to it for a lifetime!"

CANTU, SIMON - I am best known as "mouth" and I would like everyone to remember me as someone who never got caught eating during class. I leave you with this important message: "A man is not what he says he is, but what he proves himself to be!"

CARNETT, BECKY - I am better known as Becky but my friends call me red because I have red hair. I would like to leave this message: "Be truthful and honest in everything you do and in the long run you will come out ahead of the one that cheated!"

COOPER, FRANK - I am mostly called "Shorty" but I've been called worse. I'm not always on time to class but that's o.k. I've been called "Flag" but this is because of my red, white, and blue eyes. Now, I leave you with my message: "Come to BUHS unless you're a Freshman. Ha! Ha! Ha!"

COOPER, GEORGE E. - Most people know me by my turquoise car with the big speaker in the back, and some day I'll get a muffler put on. I leave you with this message: "I'm in my 5th year, but I'll graduate this year, just hope you can have the guts to say it because it takes guts to do it, then you can say, "I Graduated!"

COOPER, WILLIAM - Better known as "Willie." Some of my friends call me "Willard". I would like to be remembered as wild and crazy, but a nice christian guy. I leave you with this message: "No matter who you are or what you do or how successful you think you are, nothing you will ever do will work out if it is not God's Will!"

COUTS, SHERI - I am sometimes called "Reagen." I would like everyone to remember me as the person who took care of baby "Rickets" in Health Services. I hope someone will take care of her next year. Also I want you to remember me for all the fun and bang-ups and bash-ups we had in my blue Valiant (The Ghetto Mobile). I leave you with this message: "If you want to learn how to drive good, take my school of driving!"

CRAFT, DAVID - I would like everyone to remember me as the one who got busted for spinning the tires on my truck, and I don't mean spinning them off the ground. I

mean burning them on the pavement! Believe me it doesn't pay to do that, it cost you exactly \$56.00. I should know. So be careful.

DeMOSS, DOLLY - I am sometimes known as "Shortcake" because I'm shorter than the people I hang around. I would like to be remembered as the gal with the big smile with an even bigger name, Shari-donna.

DENNIS, DEBRA - Also known as "Debbie". I would like to be remembered as the one who always got "de-panted" in P.E. Here I leave you with this message: "Reach high and all your dreams will come true!"

DENTON, SHERYL - Better known as Sherrie. I would like to be remembered as the person who had the most trouble writing this Senior message. I leave you with this: "Never try to talk Mr. A into writing this for you, you'll have to do it yourself!"

DeVINNEY, BARRY - I've been known to fall asleep in class a lot so you can call me "Sleepy." I tend to fall asleep during the most important classes (Birdsells is a good class to catch up on your sleep), but I want to be remembered as the guy who talked in his sleep. I talked more in my sleep than I do when I am awake. (No message - asleep!)

DeVINNEY, KATHY - I am better known as just plain ole "Kathy". I leave you with this message: "If you don't like the name you got, then change it!"

DOUTHIT, TAMIKA - I'm better known as "Shorty" because of my short, stubby body. I would like to be remembered as the new girl

from Texas with the funny accent. I leave you with this message: "Keep smilin' - You can never make too many friends!"

DUNIVANT, SHAWN - My name is Shawn but I am better known as "Butter" if referred to by Mr. Cons. (I'm also the one that likes to blind everybody at dances). There are many things I'd like to say to you people who will still be here next year but I'll only tell you one. O.K.? "The one who does the most, deserves the most! So get involved!"

DuPEIRE, GRACE - I'm called Grick by my two bestest friends. I would like to be remembered as the pom that loves to pig out with Shelly and who loves my Pink Panther.

ELLSWORTH, TODD - I am better known as table top Todd because of the way I ride my bike. I would like everyone to remember me as the first person to build a Land Yacht at BUHS. I leave you with this message: "Thanks Terry, Scott, and Mike for letting me and Marty jump your trucks!"

EMERY, DARLA - My Dad calls me Maggie (don't put that in the year-book). I would like people to remember me as the one who always sat in the back of Dale McCraw's bus! I was always the one to be heard up front, especially by Dale. We had a lot of fun in the back of the bus. It's a miracle my name

isn't on that back seat. I've sat in the same seat for 4 years. I leave you with this message: "To the riders of Dale's bus, don't be destructive to those seats! Some of us still have a lot of good memories from them and would like to see other have as much fun. Take care of Dale, too!"

FAULKINBURY, CAROLYN LOR-ENE - Some people call me "Frenchy" because I'm part French and I look it! I'd like to be best remembered as the girl with a smart aleck answer to anything anybody said. My final message is, "In life, if you want to live it to the fullest, you have to go out in the world and get what you want. Nothing is going to come to you and you better watch out world because here comes the Class of '82!"

FLANNERY, ROBERT - My nickname is "Shorty." I'm eccentrically crazy. I'm even more crazy for running Cross Country.

FREDENDALL, LISA - I am the better half of the twosome! The message I would like to leave is: "When life gives you lemons, make lemonade!"

FULLER, ROBERTA - I am better known as "Berta" or just plain "Bert!" I want to be remembered for the fun I have with my baja mobile (alias crash-em-up-mobile) and as a member of Mr. A's wandering children! (I hope you wan-

der far - Mr. A!) I leave you with this message: "There is such a thing as a fun time without miller-time!"

GARCIA, GEORGE - Hello! I'm George Garcia. I'm known as the ditcher you know. "Live now, gone later. So if you want to become a better ditcher, come see me! Bye!"

GOBBETT, THEODORE JOSEPH - Recently moved to Arizona from Maryland. By my friends I am known as "The Human Icicle" because I used to ride my bike in the coldest of weather and frost would form on my nose. Quote "Quite unique and lazy, unconcerned dude, easygoing. Want to be remembered as "Don Juan" of the desert." (We got the message!)

GOODWIN, NINA - I am better known as "Nina" (Spanish pronunciation) because nobody can say my name right. I would like everyone to remember me for my good driving skills and my ability to get on the rooters bus. I really don't have a message but, "Good Luck!"

GRAYSON, DANIEL - A warm hearted man who likes all people no matter what there color is and I like to stay out of trouble and my nickname is "Dicky".

HARDER, MIKE - I am called a lot of names I would rather not repeat. I've done a lot of things for all of you to remember me by, but try to find something nice. I am going into the emergency medical field as a career. If any of you get hurt you'd better pray that I'm not around!

HEISLER, CLARK - I am sometimes called "Toothpick" because I am

so tall and skinny. I would like everyone to remember me as the guy who got "religion" and did a 180 degree turn for the better. I leave everyone with this message: "Life is what you make it, but life will be great if you put God first!"

HENLEY, SAM - I am called "Sam" by most of my friends. I would like everyone to remember me as a likeable person. I leave with this message: "You ain't what you was, what you is - you is what you ain't, what you are!"

HENRY, PATRICK - Better known as "Pat" by some of his friends. He wants to be remembered for bossing Freshmen around in general art and not for his famous "Give me liberty or give me death!" message. (Incise you haven't noticed, he did not write this, I did - Mr. A).

HERNANDEZ, JUANITA - Better known as "Janie", I would like everyone to remember me as being a nice and short person. I leave with this message: "If you want to feel tall, stand next to me!"

My message is: "Friends are there wherever you go and they're one of the most important part of your life and never forget them." "Thank you BUHS!"

HOLLAWAY, CINDY - The most common of the many nicknames I've attained over the years is "Shorty". This nickname fits perfectly and has never bothered me and never will, because of the fact that I've found being short has more advantages than shortcomings. I want to be remembered as the smallest girl on the stage during a Concert Choir Concert. I leave you with this memorable message: "Hold to a true friend with both hands!" O.K. Shorty!

HOWARD, FRANK - Some of my friends call me "Animal", but the people I shoot with call me "The Kid". I would like everyone to remember me for my shooting ability, since I won the National Junior AA Champion in Pistol Competition. I leave you this word: "If you have a goal, go for it. If you fall short you will know you tried your best!"

HUNTER, LORI - Better known by some as Mary Poppins. I learned about gravity at a very young age. Some people just won't let me forget. At least I have an excuse for being short.

JACOB, PAUL - I don't have no nickname except maybe "Crash" and that's from a nice little motor cycle accident. Here's my message: "You are what you are!"

JAMES, CLARISSA - Better known as "Chris". I would like everyone to remember me as the new girl who always kept coming back to BUHS and all her friends. I leave you with this bit of information: "Don't expect anything to come easy, work hard and it will all pay off in the end. If not you took the wrong advice!"

JAMESON, BRIAN - I've been called many things but mostly

Brain, Brin, and Bri. I want everyone to know that Drama and Cross Country are great but Concert Choir is Super Fantastic! Remember being third tenor isn't as bad as you sound. "82" Yeal

JENKINS, JAMES - It's not a fancy poem, but it'll have to do. "Just stay in school and have a good time. Good Luck and maybe you'll be as good as the Class of 1982!"

JOINER, SHERRIE - I am called Sherrie by my friends but my parents call me "Baby Huey". It really doesn't bother me. I would like everybody to remember me as the tallest girl at BUHS. I leave you with this important message: "Keep your head in the clouds and don't trip over the cracks in the sidewalk and I also want to say good-bye to Mrs. Rickstrew and Mrs. Kirsch the best teachers I have had in High School!"

JOHNSON, SARA - I'm known as just plain "Sarah". My favorite occupation was being the "teachers pet" all of my sane school life. I have been called crazy and strange and other such becoming names by those people I've said "Howdy!" to who hadn't the least idea who I was. My tip to all future students is: "Don't count your credits before they're passed!"

JOHNSTON, BETTY - I really don't have a nickname except the one my hubby calls me which is "Babe." I would like to be remembered as the girl who stayed in school with a baby girl (Jeannia). I leave you with this message: "Watch out for Mrs. Stone in the girls bathroom in B building!"

JONES, LISA - "Hi! My name is Lisa Jones and I am sometimes referred to as "Green Eyes!" My

message to all you lower class hopefuls is: "Remember that the only way to get a date or just plain make friends is to talk not hide and also always remember, "82" rules over all!"

JONOVICH, TOMMY - The girls all call me "Hands". I suppose it's because of my basketball skills. I would like to be remembered as the guy who stole all the girls hearts, of course we can't have everything we want. I leave you with this message: "We don't use-ly trip on mountains, just on ant hills!"

JUDD, SHAYNE - In the locker room they know me as Virgin. The guys will remember me for my sister's sox. I, too, am one of Mr. A's Wandering Children (And I don't wander why! - Mr. A.) I'll always remember water fights in Chemistry. Before I leave you a message: "Is it on?... Is it on?"

KEE, RONNIE - Better known as "Crash" by some. I would like to be remembered by my air horns in my truck. I leave you with this message: "Don't ever walk under a tree with birds in it!"

KING, CONNIE - Sometimes called "Bird Legs" because some people think I have skinny legs. I want to be remembered as the girl with the silver bullet car. I leave you with this message: "Everyone who got where he is had to begin from where he was!"

KIRKPATRICK, WAYNE - Lots of people call me "Crash" because of the looks of my truck. I say, it looks ugly, but it runs good!!! I leave you with this message: "If you hit a telephone pole make sure your doing at least 80 mph so you can total it!"

LOCKE, MICHAEL JON - I am better known as Mike. I would like to be remembered as the biggest flirt at BUHS and the craziest guy. I would like to leave my smelly boots as a memorinze of me!"

LOUGHEAD, LAURI - I'm better known as "Loghead". I would like to be remembered for my blue cruiser the "Loughead Mobile"; our 6th Hour antics in the Guidance Office; and the great times I've had being one of Mr. A's Wandering Children (You call that great times, I call it Super Choas - Mr. A) I leave you with this message: "High school is a one time thing, you can't take it with you when you go!!! So live it up and make the most of it while you're here!"

choir. I leave this message to all underclassmen: "Enjoy here while you're here cause there's no here over there!"

McCRAE, JACKIE - My family calls me, "Ann," but I would like to be remembered as Jackie McCrae, because it is my name and I choose what I want to be called! Here is my message: "Achieving starts with believing!"

McCRAW, ROCKY - I am better known as slim or stick, because of my height. I would like everyone to remember me as the guy who never made it to class in time because the bell rang before I could get there. I leave you with this message: "If you want to become a 'somebody' be a 'cowboy' or a 'cowgirl' not a cholo or a city-slicker."

McCREEDY, PATRICIA - My nickname is "Secret Squairl." I'd like to be remembered as the girl who always had fun no matter what! My final message is: "You only have one life to live so don't spend your tomorrows thinking about your yesterdays."

McGINTY, MICHAEL - I am called Michael because that's my name. I flow the way I feel and feel the way I flow. My message is: "It is a society within a world and a world within a society".

McKINNEY, GWEN - Better known as "The Flirt!" I would like for everyone to remember me by the flirt

and her shadow. I leave you with this message: "Have fun while you can".

McNAMARA, LAWRENCE - You can call me "Lawrence" or you can call me "Larry" or even "Macky". You see it doesn't really matter I am called by all of them. I would like to be remembered just as a very nice guy. I leave you with this message: "There will be an end, and there are many choices, but between you and me, I hope you pick the right one."

cause green's my favorite color. Barrel racing is my game so watch out for my name!"

MILES, SANDY - I'm known just as Sandra, however most of my teachers call me Sandy. I'm known to be a good student even though I hate to study. But, I leave you with this message: "Studying can actually make some people think you're smart!"

MILLER, KELLY - In past years I was better known as Blondie or Kim, this year I am known as "Brace" and believe me the names fit! I never knew someone could get in a car wreck by a dust devil and have to wear braces for a total of six months. I would like everyone to remember me as the future Mrs. Ted Barnes. I leave you with this message: "If you see a dust devil, run the other way to avoid a broken neck!"

MOONEY, TINA - Better known as the girl who always returns, because I've gone to Buckeye a little of each year and moved away. I leave you with this message: "Don't put on a front for anyone for eventually you'll be stabbed in the back!"

MOORE, ROXANNA - I don't really know where the nickname came from. "Rockie", ask my Mom, she might know. I would like for people to remember me as "the one who gets in the middle of fights!". I've tried to help people calm down, but me and Mike L., well, we love to argue between each other. It's funny to see us fighting like cats and dogs, but we are still close friends. This year is a lot of fun, we all grew closer to one another, like we were all family. It's going to be hard to say "Good-bye" to all my friends. I leave you

Sullivan (43), Kirkpatrick (33), Bell (18), and Miller (84) against Santa Cruz.

A mighty Hawk flies into a Dust Devil.

The Hawks against San Manuel.

The Buckeye Hawks Varsity Football Season was another good one for the second season in a row as the Hawks fought their way to "Runners-Up" in Class "A."

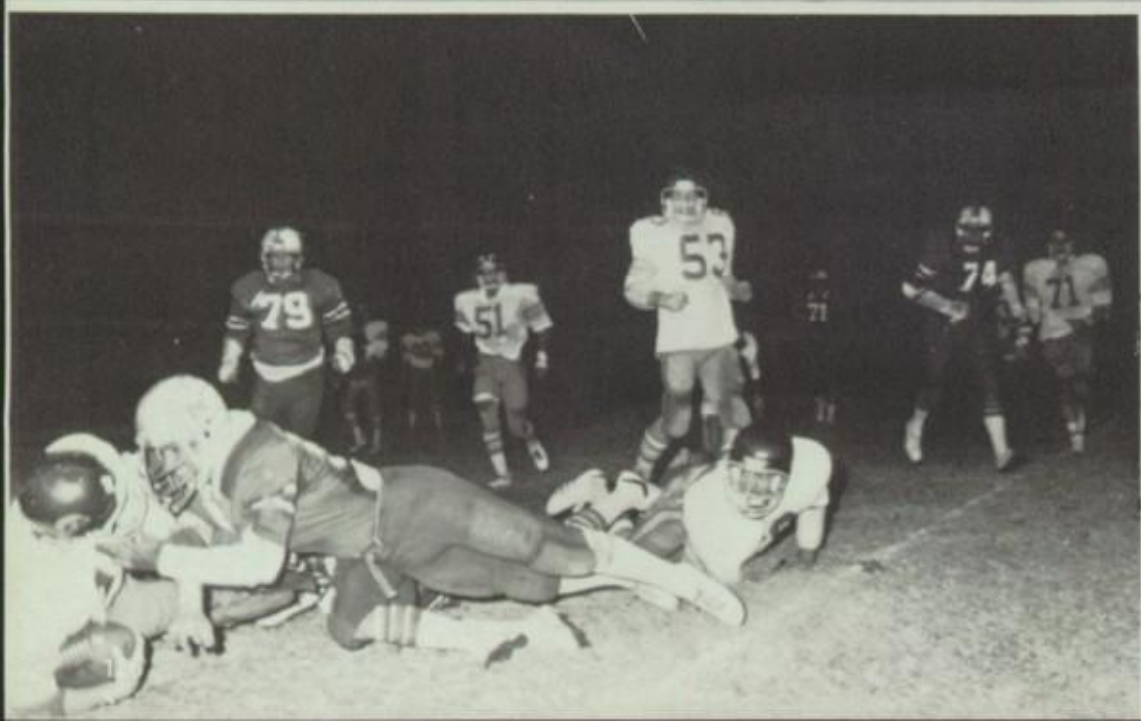

The Hawks started strong as they won their first three games beating Antelope, Dysart, and Independence. The Hawks scored over 30 points in both of their first two games and fought a very physical game against double "AA" Independence Patriots.

The Hawks lost their 4th and 5th games to Ajo and Apache Junction. Down in Ajo the Hawks had a bad game and couldn't get it started, losing their first game of the season. Apache Junction came to Buckeye and showed why they were undefeated as they played a very physical game and handed the Hawks their second loss.

The 5-hour Mohave trip was next and the Hawks showed they could handle the long trips as they played well to beat the Thunderbirds.

The next week Santa Cruz was in town and defeated the Hawks giving them their 3rd loss of the season. The Hawks needed to win their last

three games in order to make it to the playoffs and did so by beating Parker, Collidge, and Wickenburg. All three games were very physical but the Hawks showed their playoff ability by defeating them.

Going into the playoffs, the Hawks had to go up to Snowflake to play the No. 1 Team in the North. The weather was very cold but the Hawks were able to over-come this as they shut-out the Snowflake Lobos 13-0.

The next game seemed to be the most important game of the year as the Hawks were to meet the Santa Cruz Dust Devils in the semi-final at Sahuaro High School. In a rematch of last years State Playoff game in which Santa Cruz beat Buckeye, Buckeye came out fired-up and ready to play as they BEAT the Devils 15-0! Tribute the defense to this win.

The Hawks advanced to the Championship Game against the San Manuel Miners. It was a very good game to watch but the Hawks came up short 14-7 as the clock ran out.

The Hawks were 9-4 for the season with 5 shut-outs. Next year the Hawks will be Double "AA."

The Hawks attack their foe.

HAWK SEASON

The Buckeye Hawks Season ended on February 26 as they lost in the first round of the Divisional Playoffs to Coolidge 52 to 34.

The Hawks season was much like last years season as the Hawks came out strong beating their first nine opponents, only then to loose their next three. The Hawks beat Dysart, Apache Junction, 1 for 2 with Peoria, 1 for 1 with Ajo, 2 for 2 with Wickenburg, 2 for 2 with Phoenix Indians, 2 for 2 with Parker and Cactus.

They lost to Peoria, Independence, Antelope, Santa Cruz, twice to Mohave, and twice to Coolidge including the playoff game.

So the Hawks ended their season 13-7. Coach Mitchell also ended his career this year with a winning record of 52 and 49.

HAWK GIRLS WIN CLASS "A" DIVISIONALS

GIRLS VARSITY BASKETBALL TEAM

The Girls Varsity Basketball Team had an outstanding season, ending up with a record of 20 wins and 2 losses. The Hawks went to Coolidge for the Divisional Tournament and beat Ajo 55-33, Coolidge 47-44 and Parker 56-54 to take the 1982 Divisional Championship Title. Seniors Jackie McCrae and Lisa Jones, also Juniors Claudine Birkley and Diane Doster were voted for the All-Tournament Team. McCrae, Birkley, and Doster were also named to the Central Division All Conference Team.

The Hawks beat Miami the first round of the State Tournament but then had a close loss to Snowflake by one basket, which unfortunately put them out of the tournament. Claudine Birkley was the leading scorer for the girls this year while she made 354 points. Jackie McCrae led the rebounding with 192 altogether.

An all time record for high scoring game was set when the Hawks defeated the Phoenix Indians 100-47. The girls averaged 60 points a game and held their opponents to a low of 40 points.

This years Basketball Team may not officially be the 1982 State Class "A" Champions but they had an excellent year with one of the strongest teams Buckeye may ever have.

HAWK WRESTLERS

WRESTLING SUMMARY 1981-82

The Buckeye Hawk Wrestling Team finished the season with a 3-5-0 dual meet record. The team finished 4th in the tough Class "A" Central Division and qualified 7 wrestlers for the State Tournament held in Buckeye on February 10-20. At State the team finished in 7th place out of 23 schools. The Hawks had two 4th place finishers at State and one State Champion.

The Hawks effort this year was led by Steve Ganley. Steve wrestled in the 132# weight class and had a season record of 23-3-0. His overall career record was 63-24-3. This year, 15 of his 24 wins were by falls. He is now one of the top winningest wrestlers in BUHS wrestling history. He qualified for the State Tournament all of his four years in high school.

The team finished the season with 32 wrestlers. The team will lose 7 wrestlers to graduation. It will be difficult to replace wrestlers such as Steve Ganley, Oscar Diaz and others, however, there will be some top notch prospects up from the undefeated J.V. Squad to go along with the 9 good returning lettermen. Next year the Hawks won't be too shabby, even in "AA" competition.
